To Mrs.  
Zoe N. Konstantopoulou,  
President of the Hellenic Parliament.

Dear President Zoe N. Konstantopoulou,

First of all, I congratulate you for launching the *Committee for the Audit of the Greek Debt*, believing this attitude will be very important to reveal the functioning of the “Debt System”, not only in your country, but in many others where the debt is no more an instrument to finance investments but a mechanism in favor of financial sector.

I give you my positive answer to the honored invitation to be a part of the Committee, as well as confirm the possibility to participate of the first meeting in the beginning of April.

Best regards,

Maria Lucia Fattorelli
